ABOUT ME

With 6+ years of experience in video editing, 2D character animation, motion graphics, and digital content creation, I produce engaging content for YouTubers, SaaS companies, AI brands, and international clients. I specialize in explainer videos, social media content, AI-assisted visuals, character animation, and digital illustration, with additional experience in UI/UX design and client-focused creative projects. I focus on creating polished visuals that communicate ideas clearly, strengthen brand identity.
